Best Video Converter Software 2019 - Convert, Output Video Files

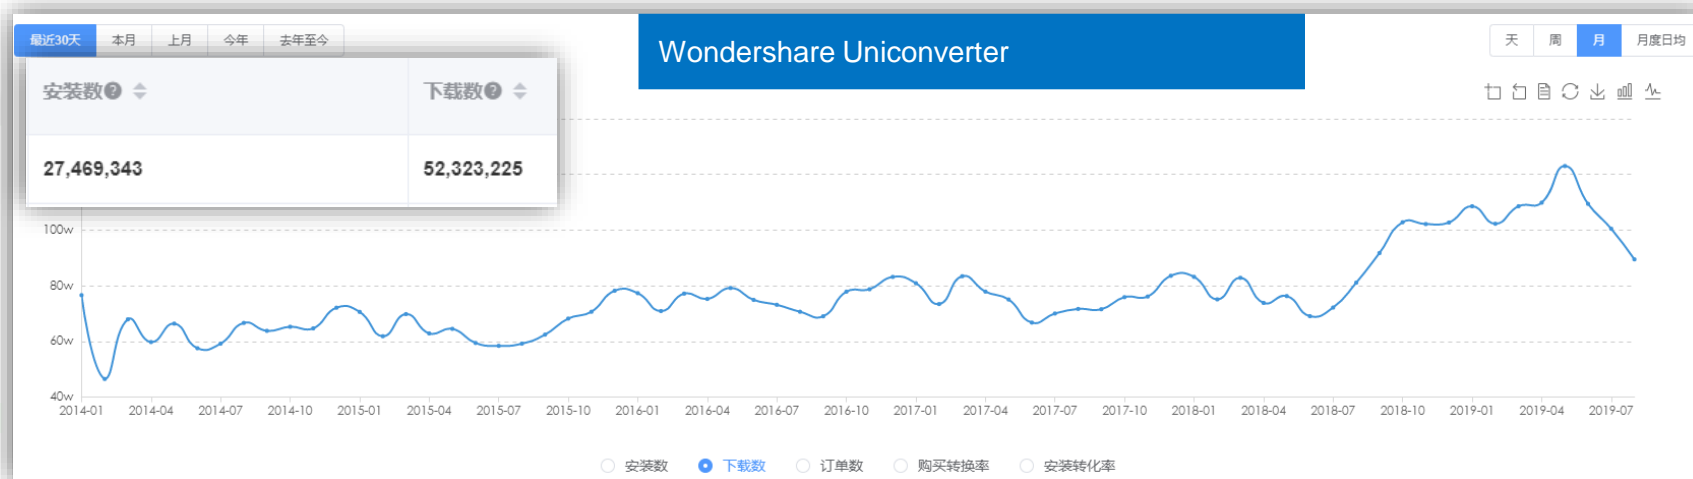

We spent more than 100 hours testing...

...and we found that Wondershare UniConverter is the best video converter software for 2019. It offers a wide range of features, including video conversion, video editing, and video sharing. It is easy to use and has a user-friendly interface. It is also available for both Windows and Mac. We highly recommend Wondershare UniConverter to anyone looking for a reliable video converter software.
